

High-Tech Solution to Your Eye Strains and Eye Fatigues

In recent years, widespread use of computers and TVs gave us eye strain, soreness, headache, blurred vision, and dry eyes. Chronic eye strains and eye fatigues generally cause myopia, astigmatism, and other related diseases. Guided by Traditional Chinese Medicine, the Nurieye products are designed to conform to the acupuncture points around the eye areas, stimulating eye muscles with acupressure, improving blood circulation, and enhancing cellular metabolism. Try Nurieye to keep your eyes healthy, relaxed, and refreshed every day.
